

FISCAL NOTE

This bill contains an appropriation of \$10,000 from the GENERAL FUND to the proposed Wyoming Agriculture Authority.

Other non-administrative fiscal or personnel impact is indeterminable, and would depend on how the proposed Wyoming Agriculture Authority would be funded. It is unknown whether the proposed Wyoming Agriculture Authority would receive a General Fund appropriation like the Wyoming Energy Authority (2021-22 biennium budget of \$2,256,500 General Fund), or whether it would receive no state funding like the Wyoming Community Development Authority.

The bill states that the Department of Agriculture shall provide administrative support for the proposed board of the Wyoming Agriculture Authority.

NOTICE-AGENCY ESTIMATE OF ADMINISTRATIVE IMPACT REQUESTED

This bill has administrative impact that appears to increase duties or responsibilities of one or more state agencies and may impact agency spending or staffing requirements. As introduced, the bill does not modify any state agency budget or current personnel authorizations.

The following state agencies will be asked to provide their estimate of the administrative fiscal impact prior to the first committee meeting held to consider the bill:
