

Bill No.: SF0047 **Effective:** **Multiple Dates**

LSO No.: 21LSO-0318

Enrolled Act No.: SEA No. 0036

Chapter No.: 104

Prime Sponsor: Case

Catch Title: **Clinical laboratory regulation.**

Subject: Clinical laboratory regulation.

Summary/Major Elements:

- Allows clinical laboratories to collect and examine human specimens at the request of any person and does not require a licensed physician from the laboratory to physically collect the human specimen.
- Permits the use of diagnostic devices that are marketed directly to consumers, where the consumer initiates the testing process and collects their own human specimen for the purpose of testing and analysis by a clinical laboratory. Exempts these direct to consumer tests from the requirement that a licensed physician collect the specimen.

The above summary is not an official publication of the Wyoming Legislature and is not an official statement of legislative intent. While the Legislative Service Office endeavored to provide accurate information in this summary, it should not be relied upon as a comprehensive abstract of the bill.
