15 The Interstate Compact on the Placement of Children is
 16 enacted into law and entered into with all other
 17 jurisdictions legally joining therein in form substantially
 18 as follows:

19 ARTICLE I

20 Definitions

21

22 As used in this compact:

23

1 (a) "Child" means a person who, by reason of
2 minority, is legally subject to parental, guardianship or
3 similar control.

4

5 (b) "Sending agency" means a party state, or officer
6 or employee thereof; a subdivision of a party state, or
7 officer or employee thereof; a court of a party state; a
8 person, corporation, association, charitable agency or
9 other entity which sends, brings, or causes to be sent or
10 brought any child to another party state.

11

12 (c) "Receiving state" means the state to which a
13 child is sent, brought, or caused to be sent or brought,
14 whether by public authorities or private persons or
15 agencies, and whether for placement with state or local
16 public authorities or for placement with private agencies
17 or persons.

18

19 (d) "Placement" means the arrangement for the care of
20 a child in a family free or boarding home or in a
21 child-caring agency or institution but does not include any
22 institution caring for the mentally ill, mentally defective

1 or epileptic or any institution primarily educational in
2 character, or a hospital or other medical facility.

3

4

ARTICLE II

5

Conditions for Placement

6

7 (a) No sending state shall send, bring, or cause to
8 be sent or brought into any other party state any child for
9 placement in foster care or as a preliminary to a possible
10 adoption unless the sending agency shall comply with each
11 and every requirement set forth in this article and with
12 the applicable laws of the receiving state governing the
13 placement of children therein.

14

15 (b) Prior to sending, bringing or causing any child
16 to be sent or brought into a receiving state for placement
17 in foster care or as a preliminary to a possible adoption,
18 the sending agency shall furnish the appropriate public
19 authorities in the receiving state written notice of the
20 intention to send, bring or place the child in the
21 receiving state. The notice shall contain:

22

1 (1) The name, date and place of birth of the
2 child.

3

4 (2) The identity and address or addresses of the
5 parents or legal guardian.

6

7 (3) The name and address of the person, agency
8 or institutions to or with which the sending agency
9 proposes to send, bring, or place the child.

10

11 (4) A full statement of the reasons for such
12 proposed action and evidence of the authority pursuant to
13 which the placement is proposed to be made.

14

15 (c) Any public officer or agency in a receiving state
16 which is in receipt of a notice pursuant to paragraph (b)
17 of this article may request of the sending agency, or any
18 other appropriate officer or agency of or in the sending
19 agency's state, and shall be entitled to receive therefrom,
20 such supporting or additional information as it may deem
21 necessary under the circumstances to carry out the purpose
22 and policy of this compact. (d) The child shall not be

23 sent, brought or caused to be sent or brought into the

1 receiving state until the appropriate public authorities in
2 the receiving state shall notify the sending agency, in
3 writing, to the effect that the proposed placement does not
4 appear to be contrary to the interests of the child, or in
5 violation of the law of the receiving state.

6

7

ARTICLE III

8

Penalty for Illegal Placement

9

10 The sending, bringing, or causing to be sent or brought
11 into any receiving state of a child in violation of the
12 terms of this compact shall constitute a violation of the
13 laws respecting the placement of children of both the state
14 in which the sending agency is located or from which it
15 sends or brings the child and of the receiving state. Such
16 violation may be punished or subjected to penalty in either
17 jurisdiction in accordance with its laws. In addition to
18 liability for any such punishment or penalty, any such
19 violation shall constitute full and sufficient grounds for
20 the suspension or revocation of any license, permit, or
21 other legal authorization held by the sending agency which
22 empowers or allows it to place, or care for children.

23

1

ARTICLE IV

2

Retention of Jurisdiction

3

4 (a) The sending agency shall retain jurisdiction over
5 the child sufficient to determine all matters in relation
6 to the custody, supervision, care, treatment and
7 disposition of the child which it would have had if the
8 child had remained in the sending agency's state, until the
9 child is adopted, reaches majority, becomes self-supporting
10 or is discharged with the concurrence of the appropriate
11 authority in the receiving state. Such jurisdiction shall
12 also include the power to effect or cause the return of the
13 child or its transfer to another location and custody
14 pursuant to law. The sending agency shall continue to have
15 financial responsibility for support and maintenance of the
16 child during the period of the placement. Nothing contained
17 herein shall defeat a claim of jurisdiction by a receiving
18 state sufficient to deal with an act of delinquency or
19 crime committed therein.

20

21 (b) When the sending agency is a public agency, it
22 may enter into an agreement with an authorized public or
23 private agency in the receiving state providing for the

1 performance of one or more services in respect of such case
2 by the latter as agent for the sending agency.

3

4 (c) Nothing in this compact shall be construed to
5 prevent a private charitable agency authorized to place
6 children in the receiving state from performing services or
7 acting as agent in that state for a private charitable
8 agency of the sending state; nor to prevent the agency in
9 the receiving state from discharging financial
10 responsibility for the support and maintenance of a child
11 who has been placed on behalf of the sending agency without
12 relieving the responsibility set forth in paragraph (a)
13 hereof.

14

15 ARTICLE V

16 Institutional Care of Delinquent Children

17

18 A child adjudicated delinquent may be placed in an
19 institution in another party jurisdiction pursuant to this
20 compact but no such placement shall be made unless the
21 child is given a court hearing on notice to the parent or
22 guardian with opportunity to be heard, prior to his being

1 sent to such other party jurisdiction for institutional
2 care and the court finds that:

3

4 1. Equivalent facilities for the child are not
5 available in the sending agency's jurisdiction; and

6

7 2. Institutional care in the other jurisdiction is in
8 the best interest of the child and will not produce undue
9 hardship.

10

11

ARTICLE VI

12

Compact Administrator

13

14 The executive head of each jurisdiction party to this
15 compact shall designate an officer who shall be general
16 coordinator of activities under this compact in his
17 jurisdiction and who, acting jointly with like officers or
18 other party jurisdictions, shall have power to promulgate
19 rules and regulations to carry out more effectively the
20 terms and provisions of this compact.

21

22

ARTICLE VII

23

Limitations

1

2 This compact shall not apply to:

3

4 (a) The sending or bringing of a child into a
5 receiving state by his parents, step-parent, grandparent,
6 adult brother or sister, adult uncle or aunt, or his
7 guardian or the leaving of the child with any such relative
8 or nonagency guardian in the receiving state.

9

10 (b) Any placement, sending or bringing of a child
11 into a receiving state pursuant to any other interstate
12 compact to which both the state from which the child is
13 sent or brought and the receiving state are party, or to
14 any other agreement between said states which has the force
15 of law.

16

17

ARTICLE VIII

18

Enactment and Withdrawal

19

20 This compact shall be open to joinder by any state,
21 territory or possession of the United States, the District
22 of Columbia, the commonwealth of Puerto Rico, and with the
23 consent of congress, the government of Canada or any

1 province thereof. It shall become effective with respect to
2 any such jurisdiction when such jurisdiction has enacted
3 the same into law. Withdrawal from this compact shall be by
4 the enactment of a statute repealing the same, but shall
5 not take effect until two (2) years after the effective
6 date of such statute and until written notice of the
7 withdrawal has been given by the withdrawing state to the
8 governor of each other party jurisdiction. Withdrawal of a
9 party state shall not affect the rights, duties and
10 obligations under this compact of any sending agency
11 therein with respect to a placement made prior to the
12 effective date of withdrawal.

13

14

ARTICLE IX

15

Construction and Severability

16

17 The provisions of this compact shall be liberally construed
18 to effectuate the purposes thereof. The provisions of this
19 compact shall be severable and if any phrase, clause,
20 sentence or provision of this compact is declared to be
21 contrary to the constitution of any party state or of the
22 United States or the applicability thereof to any
23 government, agency, person or circumstance is held invalid,

1 the validity of the remainder of this compact and the
2 applicability thereof to any government, agency, person or
3 circumstance shall not be affected thereby. If this compact
4 shall be held contrary to the constitution of any state
5 party thereto, the compact shall remain in full force and
6 effect as to the remaining states and in full force and
7 effect as to the state affected as to all severable
8 matters.

9 **14-5-104. Agreements with other party states**
10 **authorized; when approval required.**

11

12 Officers and agencies of the state of Wyoming and its
13 subdivisions having authority to place children may enter
14 into agreements with appropriate officers or agencies of
15 other party states pursuant to article IV(b) of W.S.
16 14-5-101. Any agreement which contains a financial
17 commitment or imposes a financial obligation on the state
18 of Wyoming, a subdivision or agency thereof is not binding
19 unless it has the written approval of the director of the
20 state budget department or the county treasurer in the case
21 of a county.

22 **16-5-204. Prior securities; limitations; exceptions.**

23

1 This act validates any public securities heretofore issued
2 and any acts and proceedings heretofore taken which the
3 legislature could have supplied or provided for in the law
4 under which the public securities were issued and the acts
5 or proceedings were taken. This act is limited to the
6 validation of public securities, acts and proceedings to
7 the extent they can be effectuated under the state and
8 federal constitutions. This act does not validate, ratify,
9 approve, confirm or legalize any public security, act,
10 proceeding or other matter the legality of which is being
11 contested in any legal proceeding now pending and
12 undetermined, and does not confirm, validate or legalize
13 any public security, act, proceedings, or other matter
14 which has heretofore been determined in any legal
15 proceeding to be illegal, void or ineffective.

16 **16-6-119. Contracts for public works; right to reject**
17 **bids or responses; qualifications of bidders and**
18 **respondents.**

19

20 Every public entity shall be authorized to determine the
21 qualifications and responsibilities of bidders or
22 respondents on contracts for public works and may reject
23 any or all bids or responses for which it solicits based on

1 the qualifications and responsibilities of bidders and
2 respondents and readvertise for bids or responses.

3 **22-5-214. Change in party affiliation.**

4

5 **An** elector may change his party affiliation by completing
6 an application signed before a notarial officer or election
7 official, and filing it with the county clerk not less than
8 fourteen (14) days before the primary election or at the
9 polls on the day of the primary or general election, or
10 when requesting an absentee ballot.

11 **22-14-102. Who may be present after polls close;**
12 **making pollbooks agree; counting votes.**

13

14 **After** all the votes are cast and the polls are officially
15 declared closed, only election judges shall be permitted in
16 a polling place. When all ballots are cast, the machine
17 shall be locked against further voting and sealed as
18 prescribed by law. Except as otherwise provided by W.S.
19 22-14-114(b), election judges shall commence to count votes
20 and shall continue without adjournment until counting is
21 completed.

22 **22-14-110. Sealing paper ballots and voting machine**
23 **records.**

5 authorized by W.S. 22-14-114(b). One (1) copy of each
6 voting machine record shall be sealed in a separate
7 envelope showing the district, precinct and machine number
8 and endorsed by the election judges. These envelopes shall
9 then be sealed in a single large container. The district
10 and precinct number shall be written on each container.

18

19 The Interstate Mining Compact is hereby enacted into law
20 and entered into with all other jurisdictions legally
21 joining therein in the form substantially as follows:

22

23

Article I

1 Findings and Purposes

2

3 (a) The party states find that:

4

5 (i) Mining and the contributions thereof to the
6 economy and well-being of every state are of basic
7 significance;

8

9 (ii) The effects of mining on the availability
10 of land, water and other resources for other uses present
11 special problems which properly can be approached only with
12 due consideration for the rights and interests of those
13 engaged in mining, those using or proposing to use these
14 resources for other purposes, and the public;

15

16 (iii) Measures for the reduction of the adverse
17 effects of mining on land, water and other resources may be
18 costly and the devising of means to deal with them are of
19 both public and private concern;

20

21 (iv) Such variables as soil structure and
22 composition, physiography, climatic conditions, and the
23 needs of the public make impracticable the application to

1 all mining areas of a single standard for the conservation,
2 adaptation, or restoration of mined land, or the
3 development of mineral and other natural resources; but
4 justifiable requirements of law and practice relating to
5 the effects of mining on lands, water, and other resources
6 may be reduced in equity or effectiveness unless they
7 pertain similarly from state to state for all mining
8 operations similarly situated;

9

10 (v) The states are in a position and have the
11 responsibility to assure that mining shall be conducted in
12 accordance with sound conservation principles, and with due
13 regard for local conditions.

14

15 (b) The purposes of this compact are to:

16

17 (i) Advance the protection and restoration of
18 land, water and other resources affected by mining;

19

20 (ii) Assist in the reduction or elimination or
21 counteracting of pollution or deterioration of land, water
22 and air attributable to mining;

23

1 (a) Each party state agrees that within a reasonable
2 time it will formulate and establish an effective program
3 for the conservation and use of mined land, by the
4 establishment of standards, enactment of laws, or the
5 continuing of the same in force, to accomplish:

6

7 (i) The protection of the public and the
8 protection of adjoining and other landowners from damage to
9 their lands and the structures and other property thereon
10 resulting from the conduct of mining operations or the
11 abandonment or neglect of land and property formerly used
12 in the conduct of such operations;

13

14 (ii) The conduct of mining and the handling of
15 refuse and other mining wastes in ways that will reduce
16 adverse effects on the economic, residential, recreational
17 or aesthetic value and utility of land and water;

18

19 (iii) The institution and maintenance of
20 suitable programs of adaptation, restoration, and
21 rehabilitation of mined lands;

22

1 (iv) The prevention, abatement and control of
2 water, air and soil pollution resulting from
3 mining-present, past and future.

4

5

Article IV

6

Powers

7

8 (a) In addition to any other powers conferred upon
9 the interstate mining commission, established by article V
10 of this compact, such commission shall have power to:

11

12 (i) Study mining operations, processes and
13 techniques for the purpose of gaining knowledge concerning
14 the effects of such operations, processes and techniques on
15 land, soil, water, air, plant and animal life, recreation
16 and patterns of community or regional development or
17 change;

18

19 (ii) Study the conservation, adaptation,
20 improvement and restoration of land and related resources
21 affected by mining;

22

1 (iii) Make recommendations concerning any aspect
2 or aspects of law or practice and governmental
3 administration dealing with matters within the purview of
4 this compact;

5

6 (iv) Gather and disseminate information relating
7 to any of the matters within the purview of this compact;

8

9 (v) Cooperate with the federal government and
10 any public or private entities having interests in any
11 subject coming within the purview of this compact;

12

13 (vi) Consult, upon the request of a party state
14 and within available resources, with the officials of such
15 state in respect to any problem within the purview of this
16 compact;

17

18 (vii) Study and make recommendations with
19 respect to any practice, process, technique, or course of
20 action that may improve the efficiency of mining or the
21 economic yield from mining operations;

22

1 (viii) Study and make recommendations relating
2 to the safeguarding of access to resources which are or may
3 become the subject of mining operations to the end that the
4 needs of the economy for the products of mining may not be
5 adversely affected by unplanned or inappropriate use of
6 land and other resources containing minerals or otherwise
7 connected with actual or potential mining sites.

Article V

10

The Commission

11

12 (a) There is hereby created an agency of the party
13 states to be known as the "interstate mining commission",
14 hereinafter called "the commission". The commission shall
15 be composed of one (1) commissioner from each party state
16 who shall be the governor thereof. Pursuant to the laws of
17 the party state, each governor may have the assistance of
18 an advisory body (including membership from mining
19 industries, conservation interests, and such other and
20 private interests as may be appropriate) in considering
21 problems relating to mining and in discharging the
22 responsibilities as a commissioner on the commission. In
23 any instance where a governor is unable to attend a meeting

1 of the commission or perform any other function in
2 connection with the business of the commission, the
3 governor shall designate an alternate who shall represent
4 the state and act in the governor's place and stead. The
5 designation of an alternate shall be communicated by the
6 governor to the commission in such manner as its bylaws may
7 provide.

8
9 (b) The commissioners shall be entitled to one (1)
10 vote each on the commission. No action of the commission
11 making a recommendation pursuant to article IV(a)(iii),
12 IV(a)(vii), and IV(a)(viii) or requesting, accepting or
13 disposing of funds, services or other property pursuant to
14 this subsection, article V(g), (V)(h), or VII shall be
15 valid unless taken at a meeting at which a majority of the
16 total number of votes on the commission is cast in favor
17 thereof. All other action shall be by a majority of those
18 present and voting provided that action of the commission
19 shall be only at a meeting at which a majority of the
20 commissioners, or their alternates, are present. The
21 commission may establish and maintain such facilities as
22 may be necessary for the transaction of its business. The

1 commission may acquire, hold, and convey real and personal
2 property and any interest therein.

3

4 (c) The commission shall have a seal.

5

6 (d) The commission shall elect annually, from among
7 its members, a chairman, a vice-chairman and a treasurer.
8 The commission shall appoint an executive director and fix
9 duties and compensation of the executive director. Such
10 executive director shall serve at the pleasure of the
11 commission. The executive director, the treasurer, and such
12 other personnel as the commission shall designate shall be
13 bonded. The amount or amounts of such bond or bonds shall
14 be determined by the commission.

15

16 (e) Irrespective of the civil service, personnel or
17 other merit system laws of any of the party states, the
18 executive director, with the approval of the commission,
19 shall appoint, remove or discharge such personnel as may be
20 necessary for the performance of the commission's
21 functions, and shall fix the duties and compensation of
22 such personnel.

23

1 (f) The commission may establish and maintain
2 independently or in conjunction with a party state, a
3 suitable retirement system for its employees. Employees of
4 the commission shall be eligible for social security
5 coverage in respect of old age and survivor's insurance
6 provided that the commission takes such steps as may be
7 necessary pursuant to the laws of the United States, to
8 participate in such program of insurance as a governmental
9 agency or unit. The commission may establish and maintain
10 or participate in such additional programs of employee
11 benefits as it may deem appropriate.

12

13 (g) The commission may borrow, accept or contract for
14 the services of personnel from any state, the United
15 States, or any other governmental agency, or from any
16 person, firm, association or corporation.

17

18 (h) The commission may accept for any of its purposes
19 and functions under this compact any and all donations, and
20 grants of money, equipment, supplies, materials and
21 services, conditional or otherwise, from any state, the
22 United States, or any other governmental agency, or from
23 any person, firm, association or corporation, and may

1 receive, utilize and dispose of the same. Any donation or
2 grant accepted by the commission pursuant to this
3 subsection or services borrowed pursuant to subsection (g)
4 of the article shall be reported in the annual report of
5 the commission. Such report shall include the nature,
6 amount and conditions, if any, of the donation, grant or
7 services borrowed and the identity of the donor or lender.

8

9 (j) The commission shall adopt bylaws for the conduct
10 of its business and shall have the power to amend and
11 rescind these bylaws. The commission shall publish its
12 bylaws in convenient form and shall file a copy thereof and
13 a copy of any amendment thereto, with the appropriate
14 agency or officer in each of the party states

15

16 . (k) The commission annually shall make to the
17 governor, legislature and advisory body of each party state
18 described in subsection (a) of this article a report
19 covering the activities of the commission for the preceding
20 year, and embodying such recommendations as may have been
21 made by the commission. The commission may make such
22 additional reports as it may deem desirable.

23

1 Article VI

2 Advisory, Technical, and Regional Committees

3

4 The commission shall establish such advisory, technical,
5 and regional committees as it may deem necessary,
6 membership on which shall include private persons and
7 public officials, and shall cooperate with the use and
8 services of any such committees and the organizations which
9 the members represent in furthering any of its activities.
10 Such committees may be formed to consider problems of
11 special interest to any party state, problems dealing with
12 particular commodities or types of mining operations,
13 problems related to reclamation, development, or use of
14 mined land or any other matters of concern to the
15 commission.

16

17 Article VII

18 Finance

19

20 (a) The commission shall submit to the governor or
21 designated officer or officers of each party state a budget
22 of its estimated expenditures for such period as may be

1 required by the laws of that party state for presentation
2 to the legislature thereof.

3

4 (b) Each of the commission's budgets of estimated
5 expenditures shall contain specific recommendations of the
6 amount or amounts to be appropriated by each of the party
7 states. The total amount of appropriations requested under
8 any such budget shall be apportioned among the party states
9 as follows: one-half (1/2) in equal shares, and the
10 remainder in proportion to the value of minerals, ores, and
11 other solid matter mined. In determining such values, the
12 commission shall employ such available public source or
13 sources of information as, in its judgment, present the
14 most equitable and accurate comparisons among the party
15 states. Each of the commission's budgets of estimated
16 expenditures and requests for appropriations shall indicate
17 the source or sources used in obtaining information
18 concerning value of minerals, ores and other solid matter
19 mined.

20

21 (c) The commission shall not pledge the credit of any
22 party state. The commission may meet any of its obligations
23 in whole or in part with funds available to it under

1 article V(h) of this compact; provided that the commission
2 takes specific action setting aside such funds prior to
3 incurring any obligation to be met in whole or in part in
4 such manner. Except where the commission makes use of funds
5 available to it under article V(h) hereof, the commission
6 shall not incur any obligation prior to the allotment of
7 funds by the party states adequate to meet the same.

8

9 (d) The commission shall keep accurate accounts of
10 all receipts and disbursements. The receipts and
11 disbursements of the commission shall be subject to the
12 audit and accounting procedures established under its
13 bylaws. All receipts and disbursements of funds handled by
14 the commission shall be audited yearly by a qualified
15 public accountant and the report of the audit shall be
16 included in and become part of the annual report of the
17 commission.

18

19 (e) The accounts of the commission shall be open at
20 any reasonable time for inspection by duly constituted
21 officers of the party states and by any persons authorized
22 by the commission. (f) Nothing contained herein shall be
23 construed to prevent commission compliance with laws

1 relating to audit or inspection of accounts by or on behalf
2 of any government contributing to the support of the
3 commission.

Entry Into Force and Withdrawal

7

8 (a) This compact shall enter into force when enacted
