

FISCAL NOTE

The Secretary of State's Office will experience an estimated expenditure increase of approximately \$58,000 for this resolution in FY25 for statutory publication costs. This estimate is based on anticipated publication costs for resolutions of this type of \$16,000 for introductory lines plus \$2,000 for each line of text in the proposed resolution and proposed ballot language.

Information provided by Jesse Naiman, Sec. of State's Office, phone: 777-5333.

(This cost may be considered an administrative cost but is listed here for consistency.)

Any additional fiscal impact is indeterminable, and would depend on the future action of the state's electors at the next general election and the future actions of the Wyoming Legislature following the adoption of this constitutional amendment.
