CHAPTER 24
REAL ESTATE EXCISE TAX

39-24-101. Imposition.

(a) Taxable event. An excise tax is imposed on the conveyance of real property under W.S. 39-24-104.

(b) Basis of tax. The tax shall be collected based on the full actual consideration paid for the legal title or beneficial interest conveyed, including any lien assumed, using the best available information. For a gift or any deed transferred with nominal consideration or without stated consideration, the tax shall be collected based on the most recent fair market value of the real property as determined by the county assessor.

(c) Taxpayer. The grantee shall be liable for the tax under this chapter.

39-24-102. Taxation rate.

The tax shall be based on the total value of the real property conveyance at the rate of two percent (2%).

39-24-103. Exemptions.

The tax under this chapter shall not be imposed upon any conveyance of legal title to or beneficial interest in real property that is recorded for any transfer which the department exempts by rule upon a finding that the transfer does not represent a taxable conveyance of property due to the relationship of the parties or the nature of the real property.

39-24-104. Licensing; permits.

There are no specific applicable provisions for licenses and permits for this chapter.

39-24-105. Compliance; collection procedures.

(a) Returns and reports. Taxes imposed by this chapter are due and payable at the office of the county treasurer of the county in which the real property is located on the date of recordation of the deed or other instrument. The tax shall be collected on the full actual consideration paid for the conveyance of real property, provided that if the property is transferred with nominal consideration or without stated consideration, the tax shall be collected based on the most recently determined fair market value of the real property that is transferred, as determined by the county assessor. The county clerk shall not record a document transferring legal title to or beneficial interest in real property until all taxes due under this chapter have been paid to the county treasurer. The grantor and grantee shall sign, on a form prescribed by the department, a statement eliciting the information necessary for the assessment of the tax. The statement is not a public record and shall be held confidential by the county clerk, county assessor, county treasurer, county board of equalization, state board of equalization and by the department.

(b) It is a misdemeanor for a person to willfully disclose, except as specifically authorized by law, any information on the statement required by subsection (a) of this section. A violation of this section is punishable by a fine of not more than seven hundred fifty dollars (\$750.00), imprisonment for not more than six (6) months, or both.

(c) Payment. The grantee shall be liable for the tax under this chapter. Payment of the tax shall be collected at the time of recording the deed or other instrument in the form prescribed by the department. The grantee shall sign under penalty of perjury on a form prescribed by the department that the tax required under this chapter has been paid.

(d) Timelines. There are no specific applicable provisions for timelines for this chapter.

(e) If the property being transferred is located in more than one (1) county and the value has not been determined by the grantor and grantee as to each county, the value and resulting taxes due under this chapter shall be established by applying the ratio of the assessed valuation in each county to the assessed valuation of all property being transferred.

39-24-106. Enforcement.

There are no specific applicable provisions for enforcement for this chapter.

39-24-107. Taxpayer remedies.

There are no specific applicable provisions for taxpayer remedies for this chapter.

39-24-108. Distribution.

Taxes collected by the county treasurer under this chapter shall be distributed in accordance with W.S. 39-15-111(r).".

(a) The county clerk of each county within this state shall receive and record at length all deeds, mortgages, conveyances, patents, certificates and instruments left with him for that purpose, and he shall endorse on every such instrument the day and hour on which it was filed for record. The county clerk shall not record any document until the clerk receives documentation that the tax required by W.S. 39-24-103 has been paid to the county treasurer. The county clerk shall not record any document until the address of the grantee, mortgagee or assignee of the mortgagee is furnished to the county clerk, but this requirement shall not affect the validity of the recording of any instrument except to the extent provided in W.S. 34-1-142(b). Only instruments which are the originally signed documents, including electronic documents recorded pursuant to the Uniform Real Property Electronic Recording Act, W.S. 34-1-401 through 34-1-407, or properly certified or authenticated copies thereof may be properly recorded.
