**Public service commission-electricity
reliability.**

Sponsored By: Joint Corporations, Elections & Political
Subdivisions Interim Committee

AN ACT relating to public utilities; requiring the public service commission to establish standards related to electricity reliability; specifying that failing to comply with standards is subject to penalties; providing that the public service commission shall not allow for rate recovery for new or modified facilities that are likely to result in failure to comply with reliability standards; specifying that public utilities may enter into individualized energy contracts and may utilize customer-specific energy portfolios; and providing for an effective date.
