

Bill No.: SF0099 **Effective:** **Multiple Dates**
LSO No.: **24LSO-0042**
Enrolled Act No.: SEA No. 0052
Chapter No.: 113
Prime Sponsor: Bouchard
Catch Title: **Children gender change prohibition.**
Has Report: No
Subject: Prohibiting physicians from performing procedures related to gender transitioning and gender reassignment.

Summary/Major Elements:

- This act provides that no physician or health care provider shall perform various medical procedures related to transitioning a child's biological sex or affirming the child's perception of the child's sex if different from the child's biological sex. The procedures prohibited include:
 - Specified surgeries that sterilize the child.
 - Mastectomies.
 - The provision or dispensing of prescription drugs that cause puberty suppression or that delay normal puberty.
 - Supraphysiologic doses of testosterone to females.
 - Supraphysiologic doses of estrogen to males.
 - Procedures that remove any otherwise healthy or nondiseased body part or tissue.
- The prohibition does not apply to procedures to which the child's parent consents and are for a child born with a medically verifiable genetic disorder of sex development or for a child with medically verifiable central precocious puberty.
- Nothing in this act is to be construed to prohibit a minor from receiving mental health treatment, so long as the treatment does not include any of the prohibited procedures.
- The act provides that a violation of this act may be grounds for discipline for physicians, pharmacists and nurses.
- The act requires the Department of Health, the State Board of Medicine and the State Board of Pharmacy to promulgate rules to implement the act.
