

Bill No.: SF0069 **Effective:** 7/1/2026

LSO No.: 26LSO-0219

Enrolled Act No.: SEA No. 0067

Chapter No.: 105

Prime Sponsor: Select Water Committee

Catch Title: **Waste and storm water infrastructure study.**

Has Report: Yes

Subject: Waste and storm water infrastructure study.

Summary/Major Elements:

- Mandates a study on public wastewater and stormwater infrastructure in Wyoming, to be conducted by the Department of Environmental Quality in collaboration with the Office of State Lands and Investments and the Wyoming Water Development Office.
- Requires cities, towns, special districts and counties to provide relevant data for the study.
- Specifies that all data collected is state property and outlines requirements for data format, public access and confidentiality.
- Appropriates funds for completion of the study

Comments:

- Requires the Department of Environmental Quality to report annually on the study's progress to the Select Water Committee from 2026 to 2030.

The above summary is not an official publication of the Wyoming Legislature and is not an official statement of legislative intent. While the Legislative Service Office endeavored to provide accurate information in this summary, it should not be relied upon as a comprehensive abstract of the bill.
