9

10 *Be It Enacted by the Legislature of the State of Wyoming:*

11

12 **Section 1.** W.S. 39-13-113 is created to read:

13

14 **39-13-113. Monthly payment of ad valorem tax on gross**  
15 **product of mineral production.**

16

1           (a) Commencing with mineral production on January 1,  
2 2019, this section shall govern the payment of all ad  
3 valorem taxes on the value of the gross product of the  
4 mineral produced. Any provisions of this title related to  
5 taxation of mineral production that do not conform to the  
6 processes and procedures set forth in this section and that  
7 have not been specifically amended or repealed by the  
8 legislature are superseded by this section.

9

10           (b) Commencing January 1, 2019, all mineral producers  
11 in the state shall report and pay an ad valorem tax on the  
12 value of the gross product produced, also called the ad  
13 valorem tax on mineral production, on a monthly basis in  
14 the same manner as the severance tax on minerals  
15 established in chapter 14 of this title.

16

17           (c) Monthly report. Each taxpayer liable for ad  
18 valorem taxes on the value of the gross product produced  
19 shall report monthly to the department in accordance with  
20 the processes and timing governing severance tax set forth  
21 in W.S. 39-14-107(a)(iv) for coal, W.S. 39-14-207(a)(iv)  
22 for oil and gas, W.S. 39-14-307(a)(iv) for trona, W.S.  
23 39-14-407(a)(iv) for bentonite, W.S. 39-15-507(a)(iv) for

1 uranium, W.S. 39-14-607(a)(iv) for sand and gravel and W.S.  
2 39-14-707(a)(iv) for other valuable deposits.

3

4 (d) Ad valorem tax on mineral production. The ad  
5 valorem tax shall be determined by the taxpayer, subject to  
6 review and audit by the department, on a monthly basis by  
7 applying the mill levy rate established by the county  
8 commissioners under W.S. 39-13-102, 39-13-104 and 39-13-107  
9 in the immediately preceding year to the value of the gross  
10 product of the mineral produced, as reported on the monthly  
11 form filed with the department. For monthly reports of the  
12 ad valorem tax on mineral production filed by March 25 of  
13 each year for production in January of that year, the  
14 taxpayer shall use as the basis of the tax the mill levy  
15 rate established by the county commissioners in August of  
16 the preceding year. The same mill levy rate shall be used  
17 for production through the month of June as the basis for  
18 the monthly tax report and payment. After the counties  
19 adopt new mill levy rates in August of each year, the  
20 department shall not later than September 15 of each year  
21 send to each mineral producer a statement that identifies  
22 the difference between the mill levy rate in the prior year  
23 and the newly adopted mill levy rate. If the mill levy rate

1 has increased the statement shall constitute an invoice to  
2 the mineral producer to apply the difference between the  
3 rates to the taxes reported and paid by the producer for  
4 January through June production and pay the increased tax  
5 within thirty (30) days of receipt of the statement. If the  
6 mill levy rate has decreased the producer shall seek a  
7 refund of the taxes overpaid for January through June  
8 production. The mineral producer shall apply the newly  
9 adopted mill levy rate to determine the taxes due on  
10 production from July 1 through June of the following year.

11

12 (e) Distribution. The monthly payment of ad valorem  
13 tax on mineral production as provided in this section shall  
14 be collected by the department on behalf of the county.  
15 Except as otherwise provided in this subsection, the  
16 department shall properly account for the payments received  
17 and distribute the payments promptly in the course of  
18 ordinary business to the county treasurer of the county  
19 where the production occurred. The department shall, on  
20 behalf of the county treasurer, distribute the revenue  
21 arising from the twenty-five (25) mills collected under  
22 W.S. 21-13-102 and the six (6) mills collected under W.S.  
23 21-13-201 to the appropriate school districts. The

1 department shall also distribute the revenue arising from  
2 the twelve (12) mills collected under W.S. 21-13-303 to the  
3 department of education. Nothing in this subsection shall  
4 be deemed to change the distribution of any funds under the  
5 school foundation program as provided in title 21, chapter  
6 13 of the Wyoming statutes.

5                   **Section 3.**  
6

7                   (a) The legislature recognizes that there will be a  
8 transition in calendar years 2019 and 2020 in which mineral  
9 producers will pay the ad valorem tax on mineral production  
10 in two (2) ways and in two (2) separate amounts. The  
11 legislature asserts that this is not double taxation of the  
12 same production, it is taxation of two (2) separate and  
13 distinct taxable events. The taxable events are the  
14 taxation of 2018 mineral production which is payable in  
15 2019 and 2020 under the processes and procedures prior to  
16 the effective date of W.S. 39-13-113 as provided by this  
17 act, and the monthly tax payment of ad valorem taxes on  
18 mineral production beginning January 1, 2019 as provided by  
19 this act. For calendar years 2019 and 2020 only, in  
20 addition to the monthly payment of ad valorem tax on  
21 mineral production as provided in W.S. 39-13-113 and  
22 commencing with the first reports and payments due March  
23 25, 2019, the legislature recognizes that mineral producers

1 shall also owe the following pursuant to the processes and  
2 procedures in place prior to January 1, 2019 as provided in  
3 W.S. 39-13-113(a) and (b):

4

5 (i) Ad valorem tax on production from calendar  
6 year 2017 of which the second half of the payment is due by  
7 May 10, 2019 unless the entire amount was paid by December  
8 31, 2018;

9

10 (ii) Ad valorem tax on production from calendar  
11 year 2018. Notwithstanding W.S. 39-14-107(b)(ii),  
12 39-14-207(b)(ii), 39-14-307(b)(ii), 39-14-407(b)(ii),  
13 39-14-507(b)(ii), 39-14-607(b)(ii) and 39-14-707(b)(ii), ad  
14 valorem tax on production from calendar year 2018 shall be  
15 due and payable as provided in this paragraph. Failure to  
16 pay any tax due pursuant to this paragraph shall be subject  
17 to interest and penalties as provided by law:

18

19 (A) The first half of the payment for 2018  
20 production is due by November 10, 2019 pursuant to the  
21 processes and procedures prior to the effective date of  
22 this act;

23

1                   (B) Notwithstanding W.S. 39-13-113 as  
2 created by this act, the first monthly payment under W.S.  
3 39-13-113 shall be due in September 2019 for July 2019  
4 mineral production;

5  
6                   (C) Beginning January 1, 2020 mineral  
7 producers shall make double monthly payments each month  
8 under W.S. 39-13-113 to account for the second half of the  
9 payment for 2018 mineral production, which would otherwise  
10 be due by May 10, 2020, and to account for the monthly  
11 payments due for mineral production under W.S. 39-13-113  
12 from January 1 through June 30, 2019 which were not made as  
13 provided by subparagraph (B) of this paragraph. Double  
14 payments shall continue until all of the unpaid taxes are  
15 paid.

16  
17               (b) The mineral tax task force shall conduct a review  
18 of related statutes to ensure no conflicting or superfluous  
19 provisions exist as a result of passage of this act. The  
20 task force shall report to the joint revenue interim  
21 committee prior to the 2017 general session and shall  
22 include any draft legislation necessary to address any  
23 items found through the review process.

2

**Section 4.** This act is effective July 1, 2016.
