EXECUTIVE SUMMARY

The Select Committee on Blockchain, Financial Technology and Digital Innovation Technology (Select Committee) met in Laramie to continue its interim work. The Select Committee received updates from the University of Wyoming (UW) Center for Blockchain and Digital Innovation, the UW College of Law, the Wyoming Stable Token Commission, and the Wyoming Division of Banking. The Select Committee considered bill drafts related to the development of the Wyoming Digital Asset Authority (WYDAA), data privacy, artificial intelligence (AI), automatic license plate readers, the Model Money Transmission Act, virtual currency kiosks, and public utilities. The Select Committee also considered updates regarding registered agents and digital identifiers. The Select Committee requested a bill draft that would direct the Secretary of State's Office to create a digital identifier framework.

The Select Committee voted to sponsor the following bill drafts for the 2027 General Session:

- 27LSO-0009, Protected expression-limits on foreign judgments, as amended.
- 27LSO-0010, Wyoming Digital Asset Authority, as amended.
- 27LSO-0138, Virtual currency kiosks-civil penalties.

CALL TO ORDER (MONDAY, SEPTEMBER 28, 2026)

Co-Chairman Rothfuss called the meeting to order at 9:27 AM. The following sections summarize the Committee proceedings by topic. Please refer to **Appendix 1-01** to review the Committee Meeting Agenda. The meeting can be viewed on YouTube - Select Committee on Blockchain, Financial Tech. & Digital Innovation Tech., September 28, 2026 (**AM**), (**PM**); and September 29, 2026, (**AM**), (**PM**).

APPROVAL OF MINUTES

Minutes from the July 14-15, 2026, Committee meeting were approved with no changes, **Appendix 1-03**.

GENERAL UPDATES

University of Wyoming (UW) Updates and 2026 Wyoming Blockchain Stampede Introduction

Ben Cook, Interim Director, UW Center for Blockchain and Digital Innovation (CBDI), recognized the contributions of Steve Lupien, the former CBDI Director, and provided an update on the CBDI following Mr. Lupien's passing. Mr. Cook also introduced the 2026 Blockchain Stampede, and discussed the CBDI's educational programs, industry engagement, entrepreneurship initiatives, and efforts to establish a sustainable funding model and permanent academic leadership for the CBDI.

Julie Hill, Dean, UW College of Law, provided an update on the College of Law's blockchain, digital asset, and AI initiatives. Dean Hill highlighted faculty research, academic programming, and outreach efforts related to digital innovation, including work on stablecoins, blockchain governance, and AI liability. Dean Hill also discussed the development of an AI research lab and recent faculty additions with expertise in blockchain and digital assets.

Federal Legislation Update

Co-Chairman Rothfuss noted that the federal legislation update would be delayed until the Select Committee's November 2026 meeting. The Select Committee discussed recent developments in federal digital asset legislation, including the Digital Asset Market Clarity Act (Clarity Act), and ongoing federal regulatory efforts impacting the digital asset industry.

Co-Chairman Rothfuss asked for public comment and no public comment was provided.

Committee Action

The Select Committee took no action on this topic.

WYOMING STABLE TOKEN AND DIGITAL ASSET DEVELOPMENT

Wyoming Stable Token Commission Update

Anthony Apollo, Executive Director, Wyoming Stable Token Commission (Commission), provided an update on the Frontier Stable Token (FRNT), including recent rulemaking, operational developments, and efforts to expand adoption. Director Apollo discussed enhancements to the token's technology and transparency measures, ongoing financial reporting and audit activities, outreach to Wyoming financial institutions, state agencies, and other states, and efforts to increase use of the FRNT by individuals and organizations.

FRNT Working Group Update

Director Apollo provided an update on the Commission's FRNT working group, which is evaluating potential uses of the FRNT by state and local governmental entities. Director Apollo also discussed efforts to identify opportunities for cost savings, transparency, and operational efficiencies across participating state agencies.

Consideration of Bill Drafts - Legislative Service Office Staff Review

TaLise Hansen, Legislative Attorney, Legislative Service Office (LSO), provided an overview of 27LSO-0136.4 Wyoming stable tokens-state payments and receipts, which would authorize the State and specified governmental entities to accept and make payments using Wyoming stable tokens as payment and specify the accounting and administrative treatment of those Wyoming stable tokens, **Appendix 3-02**.

Director Apollo discussed 27LSO-0136 and recommended revisions related to the custody of Wyoming stable tokens held by governmental entities, including authorizing the Commission to provide custodial services in addition to approved financial institutions.

David Pope, Commissioner, Wyoming Stable Token Commission, provided an overview of proposed Financial Accounting Standards Board (FASB) guidance regarding cash equivalent classification for stable tokens and reviewed potential implications for the Wyoming Stable Token, **Appendix 3-03**.

Ms. Hansen reviewed 27LSO-0010.9 Wyoming Digital Asset Authority, which would reconstitute the Wyoming Stable Token Commission as the Wyoming Digital Asset Authority (WYDAA), specify the WYDAA's powers and duties, and transfer the Commission's funding, personnel, and responsibilities to the WYDAA. Ms. Hansen also discussed revisions to the WYDAA's governance structure and board membership requirements, **Appendix 3-01**.

Director Apollo addressed 27LSO-0010 and expressed support for consolidating the Commission and proposed WYDAA into a single entity. Director Apollo also discussed revisions to the WYDAA's governance structure, including board composition and member selection, and reviewed provisions authorizing the WYDAA to provide custodial services for government-issued digital assets and support digital-asset infrastructure and payment technologies.

Public Comment

Public comment was provided by:

- Samantha Mills, Deputy Treasurer, and Katie Smith, Chief Financial Officer, Wyoming State Treasurer's Office
- Bret Fanning, Director, Wyoming Department of Revenue

- Ian Temte, Blue Federal Credit Union
- Eric Alston, Assistant Professor of Law, UW College of Law
- Brenden Maher, Massachusetts Institute of Technology Media Alumnus

Committee Action

After discussion, Co-Chairman Rothfuss directed that, absent objection, the Select Committee would consider 27LSO-0136.4 Wyoming stable tokens-state payments and receipts, at the Select Committee's November 2026 meeting.

Senator Nethercott moved to sponsor 27LSO-0010. The motion to sponsor passed by roll-call vote with Senator Crago and Representative Yin excused, and Representative Wasserburger absent. The Select Committee adopted the following amendments:

- Zach Lilly, Director of Government Affairs, NetChoice
- Allen Thompson, Executive Director, Wyoming Association of Sheriffs and Chiefs of Police
- Mr. Maher
- Vinicius Mozetic, Full professor, University of Western Santa Catarina

Committee Action

After discussion, Co-Chairman Rothfuss directed that, absent objection, the Select Committee would consider 27LSO-0140.5 Wyoming Personal Data Ownership Act, at the Select Committee's November 2026 meeting. Co-Chairman Rothfuss noted that his proposed amendment, **Appendix 5-03**, will be incorporated into the next version of the bill draft.

Ms. Hansen provided an overview of 27LSO-0009.7 Protected expression-limits on foreign judgments, which would create the Wyoming Guaranteeing Rights Against Novel International Tyranny and Extortion (GRANITE) Act to prevent the recognition or enforcement of certain foreign judgments and proceedings that conflict with constitutionally protected expression. Ms. Hansen also discussed revisions requested by the Select Committee related to applicability, defense obligations, and the bill draft's interaction with the Wyoming Governmental Claims Act, **Appendix 5-01**.

Co-Chairman Singh discussed national interest in the bill draft and noted that similar concepts were adopted by the American Legislative Exchange Council (ALEC) as model policy and incorporated into proposed federal legislation.

Public Comment

Mr. Halverson and Mr. Correnti provided public comment.

Committee Action

Without a quorum present to take action, Co-Chairman Rothfuss indicated that consideration of 27LSO-0009 would be deferred until the morning of Tuesday, September 29, 2026.

DIGITAL IDENTIFIERS

Digital Identifiers Working Group Update

Co-Chairman Singh provided an update on the Digital Identifier Working Group and discussed efforts to develop a framework for cryptographic seals and credentials that could be used to verify identity, authority, and commercial transactions. Co-Chairman Singh recommended directing the Secretary of State, in consultation with the working group and technical experts, to develop and implement a digital identifier framework to support commercial contracting, credentialing, and related digital identity capabilities.

Mr. Maher discussed proposed digital identifier, cryptographic seal, and enclave frameworks designed to support identity verification, commercial transactions, data management, and governance of AI agents, **Appendix 7-01**, **Appendix 7-02**, **Appendix 7-03**, **Appendix 7-04**, **Appendix 7-05**, **Appendix 7-06**,

Appendix 7-07. Mr. Maher described the relationship between the proposed framework, personal data ownership, and digital identity initiatives under consideration by the Select Committee.

Public Comment

David Roland, CEO, Advanced Intelligent Networks, LLC, Scott Moeller, and Xiaomeng Zhou, American CryptoFed provided public comment, **Appendix 7-08**.

Committee Action

The Select Committee directed LSO to draft a bill that would require the Secretary of State, in consultation with stakeholders and subject matter experts, to develop a digital identifier framework to support digital identity credentials, cryptographic seals, and related commercial applications.

MEETING RECESS

The Select Committee recessed at 5:45 PM.

CALL TO ORDER (TUESDAY, SEPTEMBER 29, 2026)

Co-Chairman Singh called the meeting to order at 8:33 AM.

PERSONAL DATA PRIVACY AND OWNERSHIP CONTINUED

Co-Chairman Singh resumed the Select Committee's consideration of 27LSO-0009.7 Protected expression-limits on foreign judgments, and reopened public comment on the bill draft.

Public Comment

Preston Byrne, Attorney, provided public comment.

Committee Action

Co-Chairman Rothfuss moved to sponsor 27LSO-0009. The motion to sponsor passed by roll-call vote with Senator Nethercott voting no, Senator Crago and Representative Yin excused, and Representative Wasserburger absent. The Select Committee adopted the following amendments:

WYOMING DIVISION OF BANKING

Wyoming Division of Banking Update

Jeremiah Bishop, Banking Commissioner, Wyoming Division of Banking, provided an update on the Division's regulation of Special Purpose Depository Institutions (SPDIs) and trust companies, including licensing, examination, and supervisory activities. Commissioner Bishop reported that three SPDIs are operational, discussed improvements to the Division's staffing levels, and highlighted continued interest in Wyoming trust company and SPDI applications. Commissioner Bishop also provided an update on implementation of virtual currency kiosk regulations, including licensing efforts, proposed rules, and enforcement actions involving unlicensed operators.

Consideration of Bill Drafts - Legislative Service Office Staff Review

Ms. Hansen reviewed 27LSO-0137.4 Model Money Transmission Modernization Act, which would repeal the Wyoming Money Transmitters Act and replace it with the Model Money Transmission Modernization Act. The model act would establish a comprehensive framework for the licensure, regulation, supervision, and enforcement of persons engaged in money transmission, provide exemptions from licensure and regulation, and establish enforcement provisions. The bill draft also would add two provisions that are not included in the model act: (1) recognition of money transmission licenses issued by other states; and (2) a requirement that specified federally insured depository financial institutions obtain money transmission licenses under specified conditions **Appendix 10-01**, **Appendix 10-02**.

Commissioner Bishop discussed 27LSO-0137 and recommended revisions related to interstate licensing reciprocity, money transmission licensing exemptions, and the treatment of Wyoming SPDIs. Commissioner Bishop also reviewed licensing fees, civil penalty provisions, and efforts to streamline licensing for companies operating in multiple states.

Public Comment

Ms. Frank provided public comment.

Committee Action

After discussion, Co-Chairman Singh directed that, absent objection, the Select Committee would consider 27LSO-0137.4 Model Money Transmission Modernization Act, at the Select Committee's November 2026 meeting.

Ms. Hansen summarized 27LSO-0138, Virtual currency kiosks-civil penalties, which would authorize the State Banking Commissioner to impose civil penalties for violations relating to virtual currency kiosks, **Appendix 10-03**.

Commissioner Bishop discussed 27LSO-0138 and reviewed proposed civil penalty provisions, including factors for determining penalties, administration of enforcement actions, and participation in multi-state enforcement efforts.

Public Comment

Ann Clement, State Director, AARP Wyoming, and Ms. Frank provided public comment.

Committee Action

Senator Nethercott moved to sponsor 27LSO-0138. The motion to sponsor passed by roll-call vote with Representative Filer voting no, Senator Crago and Representative Yin excused, and Representative Wasserburger absent.

ARTIFICIAL INTELLIGENCE GOVERNANCE

Ms. Hansen summarized 27LSO-0034.4 Regulation of AI automated decision-making systems, which would regulate the use of automated decision-making systems by governmental entities, require meaningful human review of consequential decisions, and establish definitions and recordkeeping requirements**,** **Appendix 12-01**.

Public Comment

Public comment was provided by:

- Tyler Lindholm, Director, AFP
- Professor Alston
- Mr. Maher

Committee Action

The Select Committee discussed whether additional safeguards were necessary for governmental use of AI, such as human review of consequential decisions, transparency, and accountability. The Select Committee also considered whether existing legal remedies adequately address harms resulting from AI-assisted decisions.

After discussion, the Select Committee took no action on the bill draft.

CRYPTOCURRENCY MINING AND ENERGY INFRASTRUCTURE

Brian Fuller, Deputy Legal Administrator, LSO, provided an overview of 27LSO-0181.5 Utilities-electricity service exemptions, which would exclude specified electricity generators from regulation as a public utility, specify conditions and requirements for qualifying for the exemptions, and require nonresidential customers seeking service under certain exemptions to provide a right of first refusal to the applicable public utility under specified conditions, **Appendix 14-01**.

Mike Robinson, Chairman, and Chris Petrie, Deputy Chairman, Public Service Commission (PSC), summarized the PSC's Chapter 6 non-public utility generator rules and their potential interaction with 27LSO-0181, **Appendix 14-02**. Mr. Petrie highlighted implementation considerations, public interest protections, and the regulatory framework governing non-public utility generators.

John Jenks, Director of Energy Market Development, Wyoming Energy Authority, and Kara Fornstrom, President, F3 Energy, LLC, provided a presentation regarding Wyoming's electricity constraints, existing pathways for non-utility generation, and stakeholder efforts related to large-load service and third-party generation, **Appendix 14-05**. Mr. Jenks and Ms. Fornstrom reviewed potential statutory and regulatory approaches for expanding non-utility electricity service, including 27LSO-0181, while protecting utility customers and supporting economic development.

Cindy DeLancey and Thor Nelson, Wyoming Industrial Energy Consumers, reviewed a presentation regarding third-party generation, utility capacity constraints, and the challenges faced by energy-intensive industries in obtaining timely and affordable electric service, **Appendix 14-03**.

David Bush, State Government Affairs Manager, Black Hills Energy, reviewed Black Hills Energy's Blockchain Interruptible Service Tariff and its role in supporting cryptocurrency mining and other large-load customers while protecting existing ratepayers. Mr. Bush also provided comments on 27LSO-0181 and identified potential impacts on utility infrastructure, cost recovery, and existing customers.

Shawn Taylor, Wyoming Rural Electric Association, Michael Nasi, Jackson Walker, Basin Electric, and Tom Lacock, Tri-State Generation and Transmission, provided comments regarding 27LSO-0181 and discussed the importance of protecting cooperative service territories and existing ratepayers, ongoing efforts to develop a stakeholder framework for third-party generation, and concerns related to cost recovery, engineering studies, large-load service, and implementation of third-party generation policies, **Appendix 14-04**. Mr. Taylor, Mr. Nasi, and Mr. Lacock also highlighted existing large-load programs and tariffs and expressed support for continued stakeholder collaboration on potential legislative solutions.

Public Comment

Public comment was provided by:

- Thom Carter, Vice President of Government Affairs, Nathan Nicholas, and Colin Mckee, Vice President of Customer and Community Affairs, Rocky Mountain Power, **Appendix 14-06**
- Don Burkhart, Rawlins
- Kara Choquette, Vice President, Communications and Government Relations, Anschutz Corporation
- Representative Bob Davis, House District 47
- Travis Moore, Carbon County Commissioner
- Mark Cowan, Treasurer, Sweetwater County and Chairman, Sweetwater Economic Development Coalition
- Jody Levin, Wyoming Mining Association and the Trona Industry
- Ryan McConnaughey, Interim President, Petroleum Association of Wyoming
- Mary Throne, Director of Wyoming Regulatory and Government Affairs, Prometheus Hyperscale
- Patrick Collins, Mayor, City of Cheyenne and Board Member, Wyoming Association of Municipalities

Committee Action

After discussion, Co-Chairman Singh directed that, absent objection, the Select Committee would consider 27LSO-0181.5 Utilities-electricity service exemptions, at the Select Committee's November 2026 meeting.

AUTOMATIC LICENSE PLATE READERS

Ms. Hansen provided an overview of 27LSO-0139.5 Automatic license plate readers-regulation, which would prohibit the use of automatic license plate reader systems, provide exceptions for specified governmental and private uses, establish requirements for license plate number lists used by automatic license plate reader systems, specify retention and deletion requirements for captured license plate data, establish vendor obligations, provide a civil cause of action and enforcement authority for the attorney general, and amend the Wyoming Governmental Claims Act, **Appendix 16-01**.

Public Comment

Public comment was provided by:

- Allison Moore, Deputy Director of Criminal Justice Information Services, Wyoming Division of Criminal Investigation
- Lieutenant Kyle McKay, Commercial Carrier Section, Wyoming Highway Patrol
- Mr. Thompson
- Shane Forry, Student, UW College of Law
- Sherlyn Kaiser, Wyoming Airports Coalition
- Matthew Cavedon, Director, Project on Criminal Justice, Cato Institute
- Mr. Maher

Committee Action

After discussion, Co-Chairman Singh directed that, absent objection, the Select Committee would consider 27LSO-0139.5 Automatic license plate readers-regulation, at the Select Committee's November 2026 meeting.

REGISTERED AGENT DISCUSSION

Working Group Update

Mr. Pope provided an update on the Fraud Protection Working Group that is under consideration by the Joint Corporations, Elections & Political Subdivisions Committee, **Appendix 17-01**, **Appendix 17-02**. Mr. Pope reviewed potential reforms related to filer identification requirements, enhanced authority for the Secretary of State to address fraudulent entities, and modernization of the Secretary of State's filing and enforcement systems.
